

The new valantic Learning Hub

The valantic Learning Hub is first and foremost an extremely diverse digital self-learning offering. You can take advantage of more than 20,000 different eLearning measures, ranging from short learning nuggets (max. 10 minutes long) to extensive certificate courses. The valantic Learning Hub is available 24/7 via Browser or App – from everywhere at any time. All employees and managers of valantic will get access to it.

Why do we need the new vLearning Hub?

1. **Investment in our future:** The new vLearning Hub is about further developing valantic with an eye to the future. Because up-to-date knowledge, state-of-the-art methodologies and the skills of tomorrow are our capital as a consultancy and digitalization expert.
2. **Appreciation of employees:** We're investing heavily in the personal development of each and every employee... for our future.
3. **The "All you can eat" learning offering:** The vLearning Hub offers a huge range of topics & courses (> 20,000 learning contents). Sate your information appetite at the great knowledge buffet.
4. **Versatile learning formats for every learning need:** What's your team craving for today? From learning nuggets to certificate courses, tailored to individual needs and possibilities, everything's here and everything's fresh.
5. **Anytime, anyone, anywhere:** Every (!) valantic can access the vLearning Hub, anytime, anywhere, thereby gearing further training to the learner's needs, not the other way around.
6. **Self-determined and self-motivated:** Each employee receives role-based learning journeys for self-sufficient advancement.
7. **You're not alone:** Tailored recommendations from experts (curated content) help you identify important topics for your personal development and familiarize yourself with tomorrow's needs.
8. **Business Development for learning topics:** Observe competitors and other industries, and derive concepts for action for further developing the organization.
9. **New expertise of the valantic Learning Hub (vLH) team:** The vLH team is at your side: We are transitioning from being a reliable implementer to a consultant that accompanies you, as an equal, by your side.
10. **Achieve the best possible positioning for your team:** Cultivate the skills of tomorrow within your team – with further development opportunities for the latest topics.

FAQ

How do I register with the vLearning Hub?

The first step is for the local HR representatives to set up the employees' master data in SAP SuccessFactors. This activates access for the employees and causes an e-mail with an access link to SAP SuccessFactors to be automatically sent to them. The vLearning Hub is a module in the SuccessFactors system. It is accessed via the "My Learning" tile.

Whom should I contact if I have any questions about the vLearning Hub?

Heike and **Jeremy** from the Learning Hub Team are your 1st point of contact for all questions:

learninghub@muc.valantic.com

How do I find courses that will help me progress?

1. **Own initiative:** search through the catalog
2. **"My Learning Assignments":** Essential and mandatory courses are assigned in this area.
3. **Featured:** Each week, our content curator, Anne, posts special highlights that she recommends in this section
4. **Recommended:** Employees can find personal recommendations from supervisors and colleagues in this area.
